

Wood Traverse Poles

Designed to give the natural look of a full round wood pole hung in wood brackets with wood rings sitting properly on the pole.

1. Wood end brackets
2. Wood rings hang naturally without visible mechanism.
3. Color-coordinated aluminum track embedded in a **full round** wood pole.
4. Wood supports that match end brackets.

Also available,

- in all finishes including custom
- all pole styles – smooth, reeded and twist
- lengths over 12 feet with use of an exclusive joiner bracket.
- double wood poles for drapes with sheers.
